Welcome Autumn! September is the month of restart. Pupils and students start the new academic year 2020-2021. Work, projects, and cultural life are starting to revive under strict measure since we still live in Covid19 time. See more:
A special visit to Kadare House in Tirana

The communist style building where the famous Albanian writer Ismail Kadare lived in Tirana, now is fully restored. Visitors from all ages are present everyday at Kadare House. The last days, a special visit was payed by the daughter of Kadare, Besjana Kadare (Albanian ambassador in UN) and US ambassador in Tirana Yuri Kim. Read more

The Holocaust survivor who designed a memorial in Tirana

In the world of New York architecture, Stephen B. Jacobs is known for his multimillion-dollar creation. But Jacobs recently finished a much different project — and charged nothing. It is a Holocaust memorial for Albania’s capital, which was inaugurated this summer in Tirana. A special contribution for a very impressive story. Read more

A day to Pellumbas Cave, the oldest human settlement in Tirana

16 reasons to love Tirana and its people
Pellumbas Cave is situated 25 km far from Tirana. It is one of the oldest settlement in Tirana region, belonging to the Palaeolithic period, 30 000-50 000 years ago. It was discovered in 1995 when the scientists studied the findings inside, and put this cave in the map of natural monuments of Albania. Read more
